

STREET SCRABBLE: CHRISTMAS EDITION

OBJECTIVE

To formulate the highest scoring legitimate Christmas themed word possible using the first letter of any street sign you can photograph in a set time frame.

HOW IT WORKS

- All vowels and the letter S = 1 point
- Letters Q, Z and X = 5 points
- Every other letter = 2 points
- The word must be in the English dictionary and cannot include names or slang.
- Teams cannot use the same photographed letter more than once. For example, if a team presents the word BALL, they must photograph two separate L's.
- The sign photographed must be in the street. They can't use cars, people's property, or logos.
- Teams have a limited amount of time to complete this task. Teams will be disqualified from this activity for arriving late.
- The sign must strictly be the first letter e.g. STOP sign is the letter S.
- Teams must photograph the entire sign
- Teams may split up, stay together and it is up to them to decide how they go about completing the task.

AND THE WINNER IS...

The team to formulate the highest scoring Christmas themed word abiding by the rules and within the time frame is the winner.
