STRADBROKE ISLAND EVENTS

01 — WHY STRADDIE

Not your run-of-the-mill *corporate event*

Think of it as a full nervous system reset for your team. Swap the function room for aqua-blue water, white sand and fresh air. Meet island wildlife, enjoy uncrowded beaches and leave the hustle and bustle on the mainland.

Expect space, freedom and natural beauty. We design and deliver the whole experience, from venue and catering to activities and travel, so your team can simply arrive and unwind.

GETTING TO THE ISLAND *Closer than you think*

1
Board the ferry at Toondah Harbour, Cleveland.

2
Just 30 minutes later, you're on island time.

3
Catch the bus that meets every ferry, or let us arrange private transfers.

Stunning views, just a hop, skip & a jump away
